Subject HPV Submission

HPV Coordinator,

On behalf of Solutia Inc Corporation, I am submitting the test plan and robust summaries for the HPV substances:

1,6-Hexanediaminium, N,N,N,N-tetrabutyl-N,N-diethyl-, bis(ethyl sulfate) (CAS Number 68052-49-3)

1,6-Hexanediaminium, N,N,N',N'-tetrabutyl-N, N'-diethyl-, dihydroxide (CAS Number 111960-92-0)

These are submitted as "paired chemicals" as they only vary by the type of salt of the quaternary amine.

These documents are in PDF format (unlocked). If you have any questions or require the documents in another format please contact me by email or telephone

Best regards,

Elmer Rauckman, PhD, DABT (for Solutia)
